Employer support is an important component to a participant’s successful completion of the Northern Illinois University One-Year MBA Program. This support includes the recognition of the level of commitment and dedication required for the participant to be successful in the program, as well as the granting of the necessary time away from work to attend class. Sponsorship may also include full or partial financial support.

Sponsoring Organization’s Agreement:
In addition to the academic conditions for admission to the Northern Illinois University MBA program/one-year format, the applicant must be sponsored by a governmental unit, community organization, or private business. Under most circumstances, the sponsoring organization is expected to be the applicant’s employer. Self-employed individuals, such as attorneys, accountants, consultants, etc., also qualify if they can verify they are organized as a private business as defined by the Internal Revenue Service.

The program fee for classes at NIU Hoffman Estates is $31,500. A $2,500 non-refundable deposit is due upon official acceptance into the program. The first payment of $10,100 is due January 31, the second payment of $9,450 is due July 31, and the balance of $9,450 is due on or before September 30. The sponsoring organization must agree the applicant will not be required by the organization to miss regularly scheduled class meetings on the program.
