### Summary of Experience

Rob Stoettner is a general services partner with McGladrey & Pullen's Great Lakes practice. Since joining the firm in 1992, he has provided audit, accounting and consulting services to clients representing a variety of industries, with his expertise in manufacturing and wholesale distribution.

In addition to his client service work, Rob is active in the hiring, training and development of new and experienced audit and accounting staff members. He is the Great Lakes Practice Leader for recruiting accounting students from Northern Illinois University. He is also the Great Lakes Practice Leader for the Industrial Manufacturing Industry Focus Group.

The scope of his professional engagements include:

- Financial statement audit engagements, including experience with international entities, private equity owned and ESOP owned companies.
- Due diligence for mergers and acquisitions, including application of purchase accounting
- Operational reviews and evaluations
- Assessment of internal accounting system methods and controls
- Evaluation of inventory cost accounting systems and methodologies
- Development and implementation of monthly closing procedures
- Organizational planning

### Professional Affiliations

Rob is a Certified Public Accountant and a member of the American Institute of Certified Public Accountants (AICPA) and the Illinois CPA Society. He is also a member of the Board of Directors and the Audit Committee Chairman for the Alfred Campanelli YMCA, which services certain northwest suburbs of Chicago. Rob also serves as a member of the Northern Illinois University, Department of Accountancy Executive Advisory Council and as a member of the Rush University Medical Center Associates Board.

### Education

Rob is a graduate of Northern Illinois University with a Bachelor of Science degree in Accounting.
